assignments shall be to the extent permitted by statute, regulation or the like.

C. Existence of Assets. It is understood and agreed that it is the intent of the parties that Buyer acquire all of the Assets as they exist on the date hereof (with such changes in such Assets as may be permitted

pursuant to this Agreement between the date hereof and the Closing) and that the inclusion in Section 1A above of a class of asset which does not exist on the date hereof (and does not come into existence prior to the Closing) does not constitute any express or implied representation or warranty by Seller with respect to such non-existent class of asset.

Section 2. Interim Balance Sheet.

Attached hereto and made a part hereof as Schedule 2 is the combined balance sheet showing the balance sheet assets and balance sheet liabilities of the Businesses including certain other assets of the Division and Seller as disclosed in Schedule 1A(n) hereto as of March 31, 1980, and footnotes related thereto (collectively the "Interim Balance Sheet"). Handwritten signature and initials, possibly "JRM", in the bottom right corner of the page.

(i) In the event the Closing does not for any reason whatsoever other than failure of Seller to fulfill its obligations under 3(a)(iii), 4(c), 8(b) and other than material failure of Seller to fulfill its obligations under Section 9 hereof, take place on or before September 15, 1980, Seller shall be entitled to retain [REDACTED] Dollars \$ [REDACTED] from the Earnest Deposit and shall forthwith return to Buyer the remaining [REDACTED] \$ [REDACTED] of the Earnest Deposit.

(ii) In the event the Closing does take place on or before September 15, 1980, then said Earnest Deposit shall be credited to the Closing Purchase Price as set forth in Section 3(b) hereto.

(iii) Upon the written request of any party providing financing as referred to in Section 10(a) hereof at any time and from time to time following the date hereof through September 15, 1980, Seller and Buyer and their authorized officers, without further consideration, shall execute and deliver to the requesting party such further documents or instruments of assignment, transfer, conveyance, endorsement,

direction or authorization, and other documentation, as the requesting party may reasonably request in order to fulfill the purpose and intent of this Agreement, provided, however, that any of the foregoing must be consistent with the provisions of this Agreement the Schedules and Exhibits hereto, including without limitation any limitations contained in the representations, warranties and covenants hereunder.

(iv) The retention by Seller of Two Hundred Fifty Thousand Dollars (\$250,000.00) of the Earnst Deposit shall, because of the impossibility of determining actual damages, be deemed liquidated damages, not a penalty, and Sellers sole remedy, in the event the Closing does not take place as aforesaid, against Buyer, its coventureres, agents and employees. Seller shall have no liability to Buyer for failure to fulfill its obligations under Sections 8 and 9 hereof, in the event the Closing does not take place as aforesaid.

(b) The purchase price to be paid at Closing (the "Closing Purchase Price") shall be (i) \$ [REDACTED] which is an amount equal to the Net Book Value (as such is defined in Schedule 3(b) attached hereto and

By way of illustration Schedule 3(b) calculates the Closing Purchase Price. The final purchase price (the "Final Purchase Price") shall be determined pursuant to Section 4(d) hereof.

(c) Payment. The Closing Purchase Price, less the Escrow Amount, as hereinafter defined in Section 13(c) hereof, shall be paid in cash by Buyer to Seller at the Closing, as defined in Section 4(b) hereof. Payment of the Closing Purchase Price, less the Escrow Amount, shall be made in the form of a single certified or official bank check or wire transfer drawn on immediately available funds payable to the order of Seller. (vii) Buyer will deliver to Seller complete and correct copies of all documents and instruments authorizing the transactions contemplated hereby as may be reasonably requested by Seller.

A handwritten signature in black ink, appearing to be "D. L. Lee", is located in the bottom right corner of the page.

(viii) Buyer will deposit the Escrow Amount with the Escrow Agent.

(ix) Buyer will deliver to Seller a favorable opinion of counsel for Buyer, dated as of the Closing, and substantially in the form of Exhibit 4(c)(ix) attached hereto and made a part hereof.

(d) Post Closing Adjustments and Final Purchase Price. The Closing Purchase Price shall, within ninety (90) days subsequent to the Closing Date, be adjusted as follows to determine the Final Purchase Price:

Seller shall, within forty-five (45) days following the Closing Date, provide to Buyer a combined balance sheet showing the balance sheet

assets and balance sheet liabilities of the Businesses including certain other assets of the Division and Seller as referred to in Section 1(A)(n) with footnotes thereto prepared as of the close of business on the Closing Date (collectively the "Closing Date Balance Sheet") which shall be consistent with and prepared in the same form as the Interim Balance Sheet as provided in Section 2 hereof except that the Closing Date Balance Sheet shall reflect the CFC Receivables retransferred as hereinabove provided. Buyer shall, at its sole cost and expense, engage the firm of Arthur Andersen & Co. (or, if they are unavailable, such other national firm of independent certified public accountants as shall be selected by Buyer) (the "Buyer's Auditors") to examine the Closing Date Balance Sheet for the purpose of preparing a report (the "Accountant's Report") and an audit balance sheet with footnotes thereto prepared in the same form as the Closing Date Balance Sheet (collectively the "Audit Balance Sheet") for Buyer. Such examination of the Closing Date Balance Sheet shall be made in accordance with generally accepted auditing standards approved and adopted by the American Institute of Certified Public Accountants and accordingly shall include

such tests of the accounting records and such other auditing procedures considered necessary under the circumstances by Buyer's Auditors. Such examination shall include observation by Buyer's Auditors of a complete physical count of the Assets constituting inventories which physical count shall be conducted by Seller and shall be completed as of the Closing Date. The Accountant's Report shall include the opinion of Buyer's Auditors that the Closing Date Balance Sheet presents fairly the balance sheet assets and the balance sheet liabilities of the Businesses, as of the Closing Date, in conformity with generally accepted accounting principles applied on a basis consistent with Seller's past practices except as provided in Exhibit 4(e) hereto or otherwise provided in this Agreement. Upon completion of the Accountant's Report, which shall occur no later than eighty (80) days after the Closing Date, a copy thereof accompanied by the Audit Balance Sheet shall be furnished to each of the parties. If the Audit Balance Sheet differs from the Closing Date Balance Sheet, Buyer's Auditors shall provide Seller with a reconciliation of said differences with full details explaining the same. In the event of a dispute between Buyer and Seller

relating to the Audit Balance Sheet and Closing Date Balance Sheet which can be resolved between Buyer and Seller within 10 days of receipt of said documents, then the parties shall forthwith cause to be prepared a balance sheet with footnotes thereto reflecting such resolution (the "Resolution Balance Sheet"). In the event of a dispute between Buyer and Seller relating to the Audit Balance Sheet and Closing Date Balance Sheet which cannot be resolved between Buyer and Seller within 10 days of receipt of said documents, then the dispute shall be submitted to an office of a national firm of independent certified public accountants (the "Arbitrators") selected jointly by Buyer's Auditors and Seller's independent auditors. The Arbitrators, at the joint expense of the parties, shall be jointly instructed to resolve the dispute within 30 days, and the Arbitrators shall be jointly instructed to prepare an arbitrator's balance sheet with footnotes thereto (collectively the "Arbitrator's Balance Sheet") which shall resolve all issues and shall be conclusive and binding upon the parties hereto. To the extent Seller and Buyer's Auditors shall agree with respect thereto, the physical count of the inventory as conducted by Seller and as observed and verified

by Buyer's Auditors and the valuation of inventory at the lower of cost or market (as such term is defined in Schedule 4(e) attached hereto and made a part hereof) shall be final and binding on the parties hereto and that the Arbitrators shall be so instructed. Buyer shall instruct Buyer's Auditors that the working papers relating to the examination of the Closing Date Balance Sheet by Buyer's Auditors and the Audit Balance Sheet will be made available, upon request, for review, in the presence of a representative of each of the parties hereto or their auditors and a representative of the Arbitrators. Seller shall instruct its auditors and personnel that the working papers relating to the preparation of the Interim Balance Sheet and Closing Date Balance Sheet will be made available, upon request, for review, in the presence of a representative of each of the parties hereto or their auditors and a representative of the Arbitrators. The working papers relating to the review of the Closing Date Balance Sheet and the Audit Balance Sheet by the Arbitrators, as a result of a dispute relating to such documents, will be made available, upon request, for review, in the presence of a representative of the Arbitrators, by representatives of the

parties or their auditors. Upon delivery of the Accountant's Report and the Audit Balance Sheet or, in the event of a dispute relating thereto, the Arbitrator's Balance Sheet upon the resolution of such dispute as provided herein, the Closing Purchase Price shall be adjusted to the Final Purchase Price in the following manner:

The Closing Date Balance Sheet or if applicable, the Resolution Balance Sheet or, if necessary, the Arbitrator's Balance Sheet shall become the "Final Balance Sheet." From the Final Balance Sheet, the Final Purchase Price shall be determined.

The Final Purchase Price shall be an amount equal to the Net Book Value (as such is defined in Schedule 3(b) attached hereto and made a part hereof) as shown on the Final Balance Sheet, which will exclude cash and include the CFC Receivables retransferred hereunder, plus the sum of [REDACTED] Dollars (\$ [REDACTED]).

The Final Purchase Price shall be allocated as follows: (i) all assets and liabilities as recorded on the Final Balance Sheet shall be allocated their respective net book values and; (ii) the \$ [REDACTED] amount included in the

Handwritten signature and initials, possibly "JL" and "Lm", in the bottom right corner.

Final Purchase Price shall be specifically allocated to those assets in the amounts and as indicated on Schedule 4(d) attached hereto and made a part hereof. The specific allocation of the \$ [REDACTED] amount to said assets shall be in addition to said assets' respective net book values.

Buyer and Seller agree to maintain their respective books and records and to file returns for federal and state income tax in a manner consistent with the final allocation of the purchase price which has been set forth in this Agreement.

If the Final Purchase Price exceeds the sum of the Closing Purchase Price plus the Earnest Deposit, Buyer shall pay to Seller a cash sum equal to the excess of the Final Purchase Price over the Closing Purchase Price plus the Earnest Deposit. If the Final Purchase Price is less than the Closing Purchase Price plus the Earnest Deposit, Seller shall pay to Buyer a cash sum equal to the amount by which the Closing Purchase Price plus the Earnest Deposit exceeds the Final Purchase Price. Interest on the adjustment thereon shall accrue from the Closing Date and shall be paid to the appropriate party at a rate of twelve percent (12%) per annum.

Payment of the aforesaid adjustment and interest between Buyer and Seller shall be made not later than ninety (90) days from Closing Date and, if an Arbitrator is utilized as provided above, an additional thirty (30) days will be allowed.

(e) Joint Instructions. With respect to the provisions of Section 4(d) hereof, Buyer agrees to instruct Buyer's Auditors and Buyer and Seller agree jointly to instruct the Arbitrators to be bound by and accept any deviation from or exception to generally accepted accounting principles disclosed on Exhibit 4(e) attached hereto and made a part hereof and Buyer and Seller agree to be bound by and accept any such deviation or exception.

Section 5. Liabilities Assumed.

As further consideration for the transfer and sale of the Assets, Buyer agrees, upon the close of business on the Closing but effective as of the close of business on the Closing Date, to assume, pay, perform and discharge only the following debts, liabilities, commitments and obligations of Seller with respect to the Businesses:

pleted sale contracts, purchase orders, materials contracts, licenses, vehicle and equipment leases or other executory contracts or commitments, past practices, arrangements, documents and instruments made in the ordinary course which are in force on the Closing Date, as disclosed and set forth in the Schedules hereto;

(iv) all claims, obligations or liabilities with respect to the Businesses (whether fixed or contingent, known or unknown and without regard to the adequacy of the reserves reflected in the Final Balance Sheet) relating or pertaining to or growing out of the operations of the Businesses after the Closing Date including matters relating or pertaining to or growing out of all acts or omissions after the Closing Date, including, without limitation of the foregoing, product warranty or liability claims, fines, assessments or penalties by any governmental agency or authority for failure to comply with applicable health or safety regulations (such as EEOC, OSHA, and environmental regulations), contract or other claims.

(v) liabilities or other obligations with respect to the litigation described in Schedule 6(h) to this Agreement;

(vi) other debts, liabilities or obligations disclosed in Schedule 5(vi) attached hereto and made a part hereof.

In the event of any dispute as to such liabilities assumed, the Final Balance Sheet, this Agreement, the Exhibits and the Schedules hereto shall govern and be binding on the parties.

Section 6. Representations and Warranties of Seller.

Seller represents and warrants the following:

(a) Organization. Seller is a duly organized and validly existing corporation in good standing under the laws of the State of Delaware and, except as otherwise disclosed in Schedule 6(a) attached hereto and made a part hereof, has the legal and corporate power to own, operate and sell the Assets and is qualified to do business in those states where the operation of the Businesses requires such qualification.

Notwithstanding the foregoing, failure by the Seller to list fully depreciated assets shall not constitute a breach of the foregoing representation. Except as set forth in Schedule 6(c) attached hereto and made a part hereof, Seller has good and marketable title to all the Assets, free and clear of all liens, encumbrances, or other restrictions other than such liens, encumbrances, or other restrictions as do not materially detract from the value or materially interfere with the present

use of the Assets.
